MEMORANDUM FOR: The Director

SUBJECT : Summary of [REDACTED] Recommendations

25X1

1. On 29 October I sent you the final part of a long memorandum prepared at my request by [REDACTED]. This memorandum, entitled "Beans and Bean Counters", surveys the problems involved in discharging the Intelligence Community's responsibility for maintaining a valid, current assessment of the size, strength and capabilities of the Warsaw Pact's Theater Forces. That memorandum's final section contains [REDACTED] overall conclusions and recommendations. These were discussed at a meeting on 31 October attended by the NIO for Conventional Forces, his Assistant and [REDACTED] of OSR who reflected Mr. Knoche's views. To my surprise, [REDACTED] rather sweeping recommendations were not disputed at this meeting but, instead, largely endorsed as essential.
